Some of the units come with a seasonal storage area located on the balcony. The location of the storage area is shown in the floor plan.

Property: Freehold

Sale price: A down payment (75% of the sale price) is taken at the time of the transaction, 2. instalment (25 % of the sale price) upon completion.

Estimated charges for common expenses: Maintenance charge 4,1 €/m²/month.

Charge I for common capital expenditures is payable for a period of up to two years after completion and only covers interest on the housing company's debt. The interest rate is always at least equal to the spread.

The estimated amount of charge I is EUR 0,0028 €/allocated share (interest only, based on the rate on 23.6.2023 / 4,147 %).

The estimated amount of charge II is EUR 0,0052 €/allocated share (once repayments begin, based on the rate on 23.6.2023 / 4,147 %).

The housing company will decide the date from which repayments are to be collected in due course. All charges are estimates and will be revised before completion.

Housing company debt: The estimated total loan term is 25 years, of which the first two years at most will be interest only. The interest rate on the loan is 12-month Euribor + 1.00% spread.

The actual interest is dependable on the interest rate valid on the loan withdrawal date. Total interest rate will be confirmed upon completion.

Either 50% or 100% of the debt can be paid upon completion.

Water charge: EUR 20/person/month in advance; adjusted to consumption.

Parking: 45 spaces available to buy as separate shares. The price of an indoor parking space share is EUR 25,000, and a parking space with an electric vehicle charging port costs EUR 27,000.

Estimated maintenance fee is 37 €/parking space/month.

Estimated completion date: The development is scheduled for completion 31.8.2023-31.10.2023
